Social distance. Always keep 1,5 meter distance to each other.

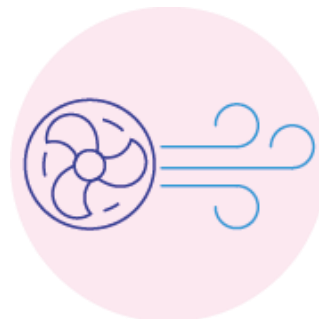

Avoid physical contact like shaking hands and hugging.

Use the hand-sanitizers placed at the exhibition floor and near the toilets.

Wearing a facemask is **OBLIGED**.  
Facemasks are available at the entrance.

The climate system of the Expo Haarlemmermeer manages ventilation and a supply of fresh outside air.

Extra hygienic measures are taken in toilets and on contact surfaces.
